Subject: RE: Next ESA WG call

Wynne and I are planning on going in person and then sticking around for the sulfoxafloz briefing. We will have Kris Garber and Diann Simms on the phone.

Thanks,
Marietta

We should be prepared to walk through the work plan. I'm going in person, but only because I have meetings all morning downtown.

Thanks Rick. It looks like this got scheduled for tomorrow morning at 9:30. Do you need us to prepare anything or just to provide an update? Also, should we plan on attending in person or calling in?

Thanks,
Marietta

Looks like CEQ is scheduling another ESA WG meeting for next Wednesday (June 20th). Nancy wants a pre-brief; Derrick is looking for times now.

Rick,

Heads up that Nancy would like a pre-brief on this before 6/20. I'm assuming invites would at least include you, Ed, Marietta, Wynne, and Yu-Ting. Can you let me know if I'm missing anyone? Also I realize 6/15 won't work, but next week might be tricky so Derrick will probably first look to squeeze it in before Friday.

Thanks,
Kaitlin

Derrick,
Can you work with Kaitlin to set up a briefing for us from the ESA team—in advance of the CEQ meeting on the 20th—so perhaps Friday the 15th?

Subject: Next ESA WG call

Dear ESA Pesticide Working Group members,

As discussed at our last meeting on May 18, CEQ is convening regular (roughly monthly) calls to monitor progress on the ESA/pesticides initiative. We propose scheduling a 30-minute call on **Wednesday, June 20, at 3:00pm**. If you have an irresolvable conflict, please provide some other times when you are available on Wednesday, June 20, and Friday, June 22.

We encourage the signatory agencies – EPA, DOI, DOC – and USDA to obtain a progress update from their staffs in advance of this meeting. This will allow us to compare notes and identify any challenges that might be addressed by the Working Group. A draft agenda is included below and the timeline developed by technical working group on pesticide usage data is attached. If you have any additional agenda items you would like to include, please provide these to me no later than Monday, June 18.

Thank you!
